

# GOVERNOR MEETINGS – Updated DATES - 2026/2027

## Notes

- Mondays have worked in the past (for most), but we need not be wedded to this given potential for date clashes
- Scheduling needs to aim to ensure compliance with the schools financial value standard (SFVS)
- Last year's SFVS does say 6 times a year reporting on financial statements. SB recommends the budget monitoring report is sent to governors once a month for an overview (which would be by email on alternate months when Resources Committee is not meeting so as to not need scheduling additional unnecessary Resources Committee meetings)
