	Year 8	Pathway 2/3/4	Computing - Term 1

Learning Intention: <u>Cyberbullying, Online Safety Rules,Social Media, Effective and Safe Online Internet research</u>

The main aim of this unit is to expose students to E-Safety to protect them in their use of electronic technology. In practice, E-Safety is as much about behaviour as it is electronic security.

Key knowledge that should be learned during this SoW	All	Most	Some
Concept:	Students will work through the unit completing focused activities in groups and independently to: familiarise themselves with being exposed to illegal, inappropriate or harmful material, and online interaction with other users. They will demonstrate what they have learnt throughout informatively and summatively.		
Knowledge:	- Grow an understanding of what cyberbullying is. . - Improve general knowledge surrounding social media - Look at the usefulness of information.	- Try to find and select information that informs and clarifies the task - Begin to show an awareness of the ways a lack of information limits their work	·Analyse information visually/verbally - Suggest alternative ways the participants could have acted - Describe what online bullying is - Suggest ways to prevent social media being hacked

		● Continue to expand on their awareness of the subject area. ● What are reliable sources of information?	and leaving students open to cyber bullying ● Ensure students are continuing to follow the online safety rules irrespective of the task.
Key Skills:	● ·Learn/improve new skills on the computer	● To research using a google search ● To navigate the internet	● Can effectively copy and paste ● Can alter word fonts and incorporate backgrounds etc.
Language and/or communication skills:	● E-Safety ● Cyberbullying ● Google search ● Social Media	● Social network sites	● Online safety rules
Curricular Links	Links to other learning within the subject are: English- Using the internet to effectively research a topic area and record this information in own words. PSHCE- Knowing what to do if something they see online is inappropriate and having the confidence to report this to an adult.
