Deputy Headteacher: Ms Claire Caddell

22 September 2020

Dear Parent/Carer,

I am writing to let you know that this year there will be an opportunity for our Year 14 Students to study at Berkshire College of Agriculture (BCA). Therefore, your child will be attending the college every Monday between 9.30am-12.30pm.

This will be from 5th October until the 14th December.

Meadow High students will stay in their tutor group bubble to ensure we continue to meet Covid safety protocols. They will not be mixing with other students on site. Students will be socially distanced within their form bubble on the school minibus and will be asked to wear masks unless they are exempt. Students will leave school at 9.00am and travel to BCA by minibus. After their studies they will be driven back to school ready for lunch as usual.

Please note the group will be staffed by one lecturer from BCA and two support staff from school, who know the students well.

There are a number of forms that the College want completed and I would be grateful if you would complete these together with the slip below, and return to me by **Friday 2nd October** at the latest. I apologise for the short notice and appreciate your understanding during these unpredictable times. If you have any questions regarding these arrangements, please do not hesitate to contact me at school.

Yours sincerely,

Miss Taylor
Head of Sixth Form

Reply-Slip – BCA – please return to Miss Taylor
