

Holiday Work:

Theme: Leisure – Activities

First: [Miss Lennon has made a video.]

Watch and make notes

Focus: Following a sequence of verbal instructions. Making clear notes.

Next: Extension Work

Keep a Gardener's Diary

Focus: observation skills, measuring, notes

Making a Paper Flower Pot

Focus: Following a sequence of written instructions [fine motor skills]

Finally: Creating a Calm Place...

Build a camp/den

Get creative, find a space in your bedroom or outside [if you have garden].

Focus: logical thinking skills, sequencing inc. writing instructions, understanding your sensory regulation needs

– *lighting, colours, size space, textures*

Note-Taking Practise: How to Plant a Seed [You can use your yellow workbook.]

Key Words:

equipment = the things you need for the task **method** = step by step instructions

handy hints = any tips the instructor gives you to make the job easier.

Keep a Gardener's Diary

Take photos regularly *OR* **draw**

Focus:

Building your observational skills – what has changed from the last time you looked.

Develop your Maths skill – measure how much it has grown.

Please send us your drawings and photos so that we can add them to the website.

Date:

What have you observed [noticed] today?

Flower Pot Paper Model Instructions

Step 1

Carefully, cut out all the shapes for the flower pot following the solid black lines. Make sure you cut all the way along the tabs as shown

Step 2

Starting with the pot shape, fold along the lines following the fold guide.

Hint: make the folds sharp.

Step 3

Glue the 1 tab to the side to form the pot

Step 4

Shape the flower pot by folding the middle of the pot down and secure the tabs 2, 3, and 4 with glue.

Step 5

Using the flower shape, fold along the lines following the fold guide.

Hint: make the folds sharp.

Step 6

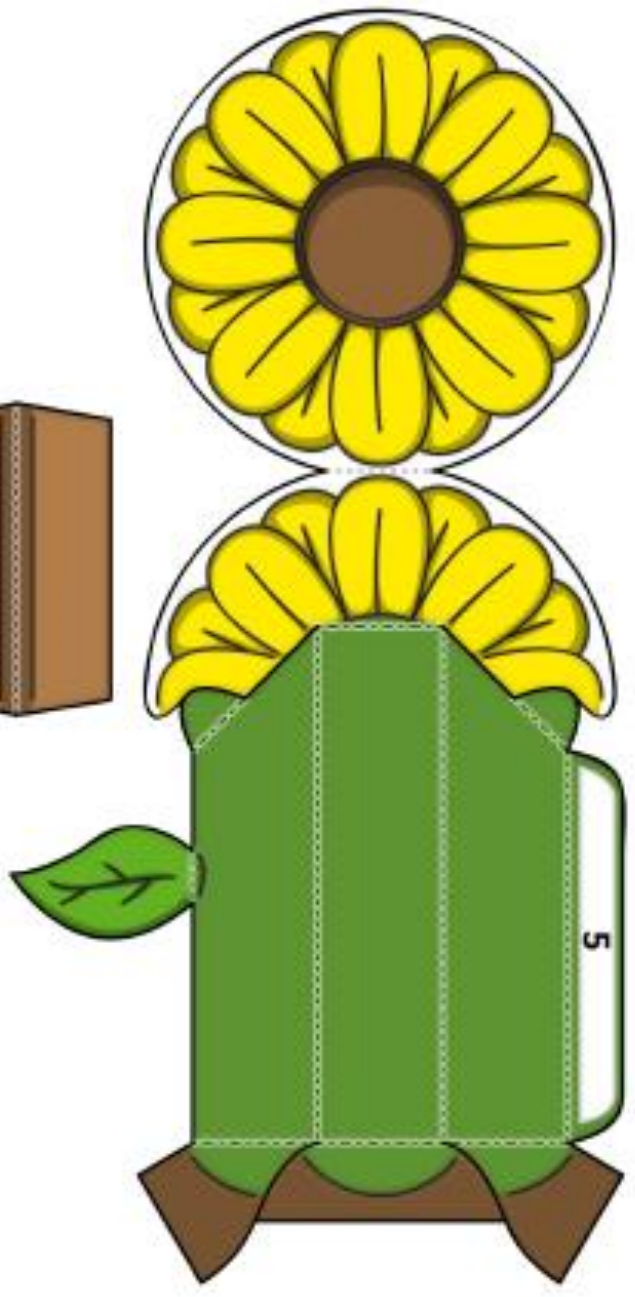

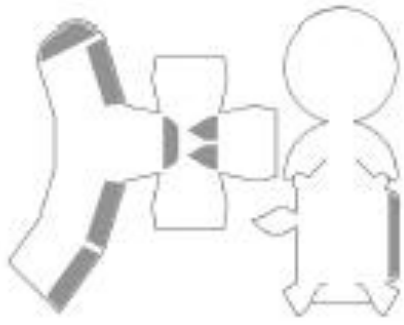

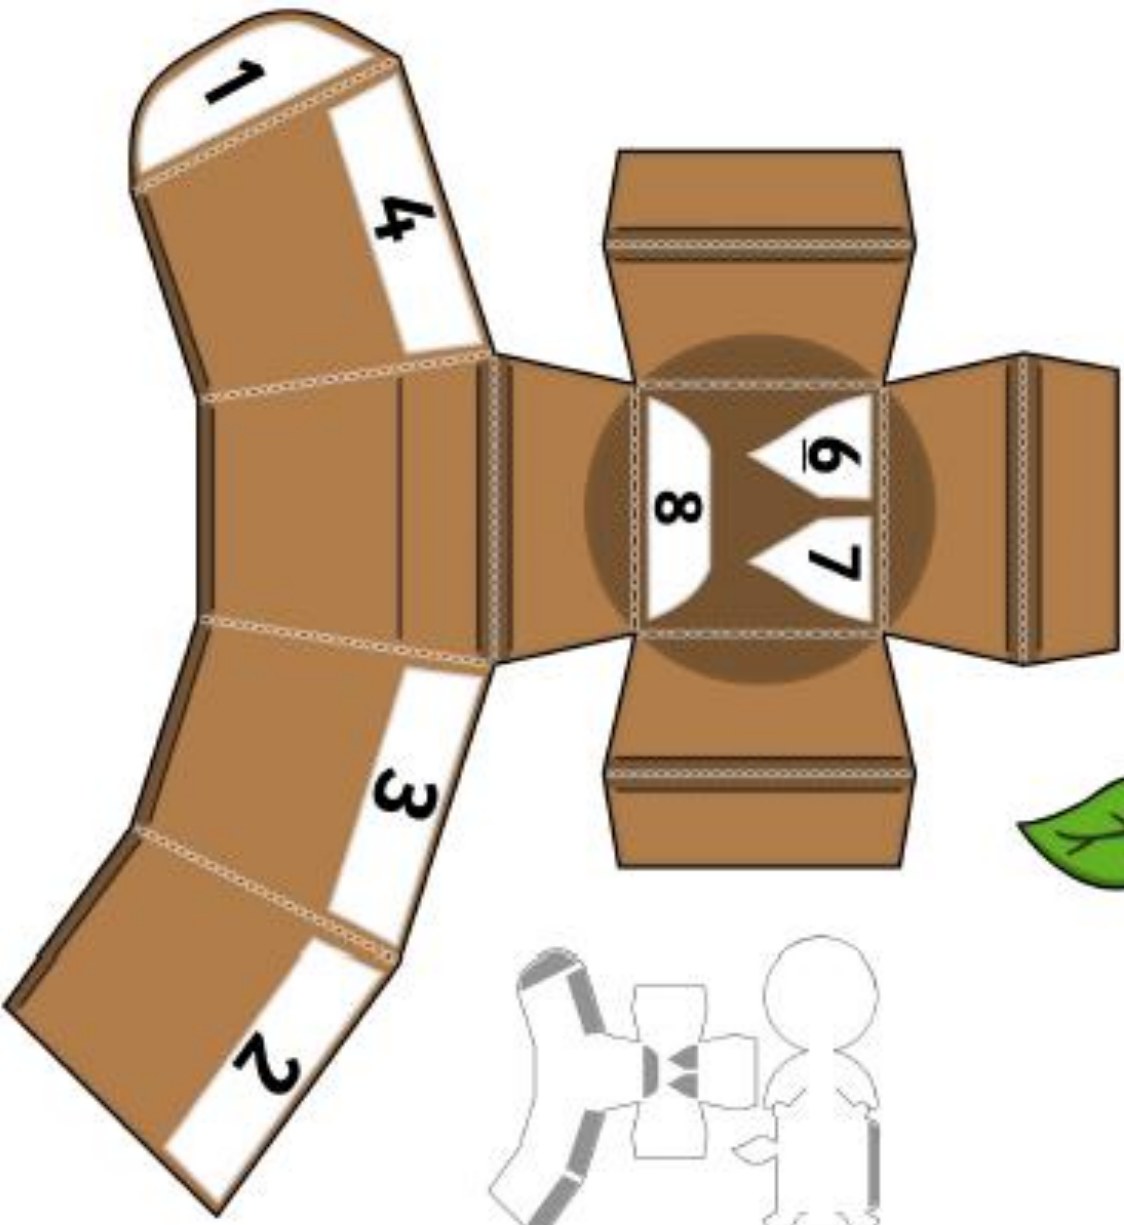

Glue the edge of the stem to the other side using the tab 5.

Step 7

Assemble the flower pot by gluing the bottom of the stem to tabs 6, 7 and 8. Now, your flower pot is complete.

This task is good practise following instructions.

Have a go at - **building a camp**. Inside or outside, add some lighting if you can.

What you need ideas:

blanket

bed sheet

string

clothes pegs

fairy lights

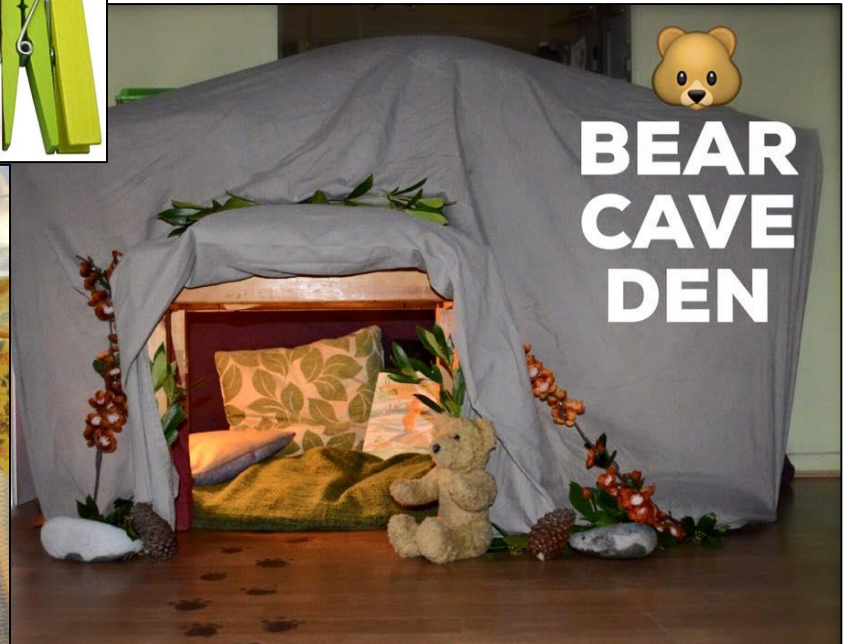

torch

glo sticks

Pillows/cushions

and of course...

biscuits!

Have a go at - **building a camp**. Inside or outside, add some lighting if you can.

What You Need - Under Table Ocean Den

coloured paper/card

felt tip pens to decorate the paper fish

cling film

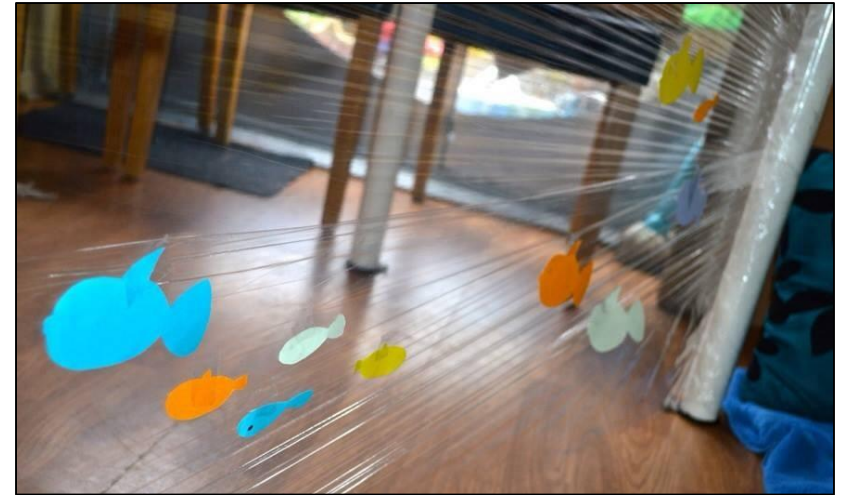

sticky tape

blue towel/sheet/table cloth for the ocean floor

cushions (blue or green, if possible)

fairy lights (battery operated?)

big table cloth to go over the top

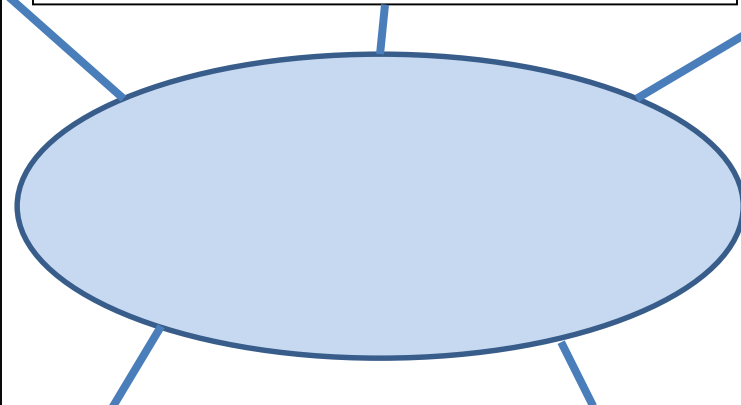

Project Planning Sheet: [You can also use your yellow workbook.]

Complete this Project Plan to help get organised!
Focus: Building planning skills. [Just brief notes – not sentences]

Finally: Special final touches

Next: List the things you need.

Then: Any problems to fix.

First: - Where will you build?

Quick planning sketch [useful if others are going to help you]:

Writing Instructions: How to Build a Den [You can use your yellow workbook.]

Optional: **Draw illustrations** to go with your instructions [think Ikea – clearly labelled line drawings].

A large, empty rectangular box with a thin black border, intended for drawing illustrations related to the writing instructions. The box is currently blank.
