

My Lockdown: Back At School

First: **Wash Your Hands!**

Listen to and **talk about** the story.

[signed story video available]

Next:

Read and answer questions.

[Pre-readers + readers – see below] [slides 2- 18]

Then:

Write about what is happening in the picture [slides 19-23] AND/OR

Draw what you think germs look like. [slide 24]

Finally:

Watch video – How to wash your hands. [slide 25]

Hand hygiene in school – 1:1 or small group discussion [slide 26]

Wash your hands!

Tony Ross

Pre-readers: Use a range of questions to talk about what is happening in pictures. Make links to student's own experience.

Readers: Widget supported story. Read at least 3 slides. Use a range of questions to build comprehension skills.

 getting ready to  work

 
wash your hands!

 [tell your  teacher]

 Do you  like getting your  hands  dirty?  **yes**  **no**

 Do you  like to  wash your hands?  **yes**  **no**

 Do you  wash your hands before  you  eat?  **yes**  **no**

 Do you  know  why  we  wash our hands?  **yes**  **no**

"Wheeeeeeeeeee!"

The little

princess

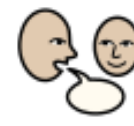

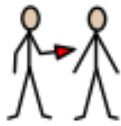

LOVED

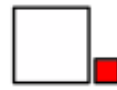

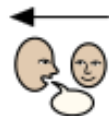

getting

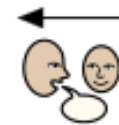

dirty.

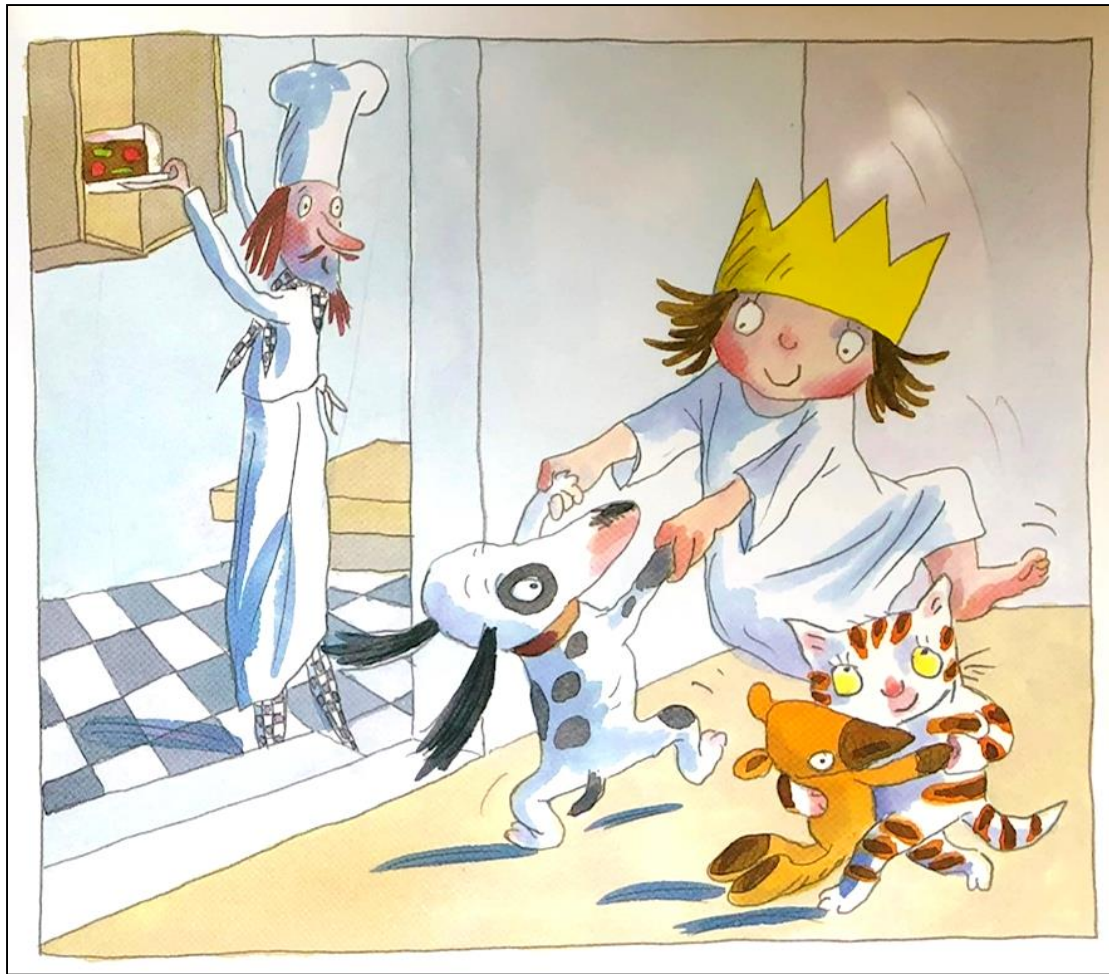

"Wash your hands before you eat that," said the Queen.

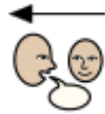

"Why?" said the Little Princess.

"Because you've been playing outside," said the Queen.

"Wash your hand,"

said

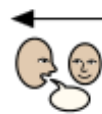

the

Cook.

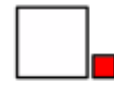

"Why?"

said

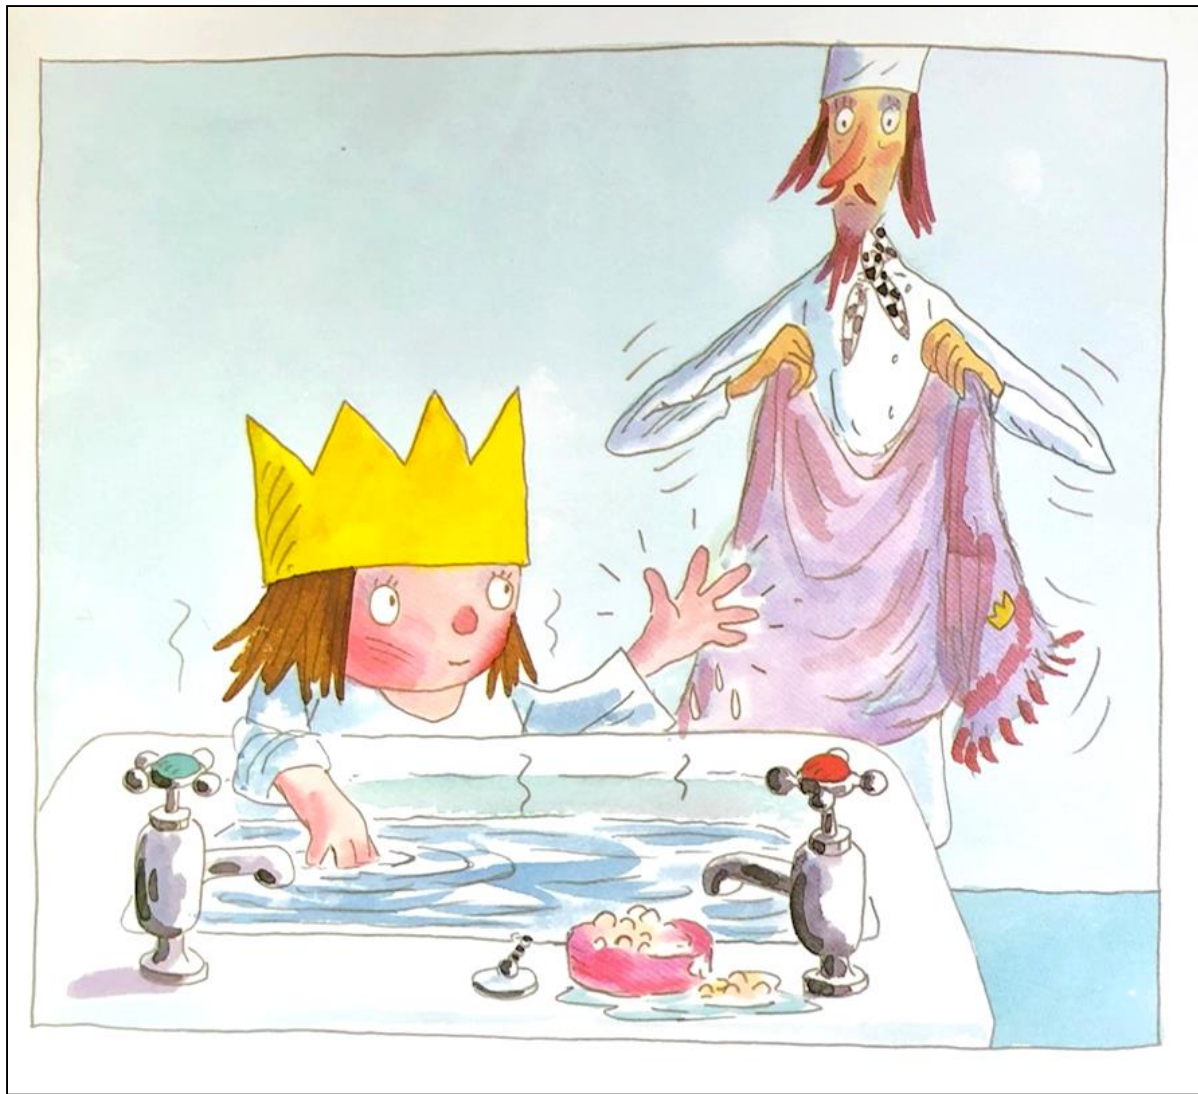

the

Little

Princess.

"Because you've been playing with Scruff.

And dry them properly.

"Wash your hands," said the King.

?

2x

"Why? I've washed them twice," said the Little Princess.

+

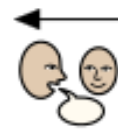

"And you must wash them again because you've

just been on your potty."

"Wash your hands,"

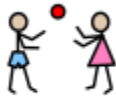

said

the

Maid.

"I washed them after playing outside.

I washed them after playing with the dog.

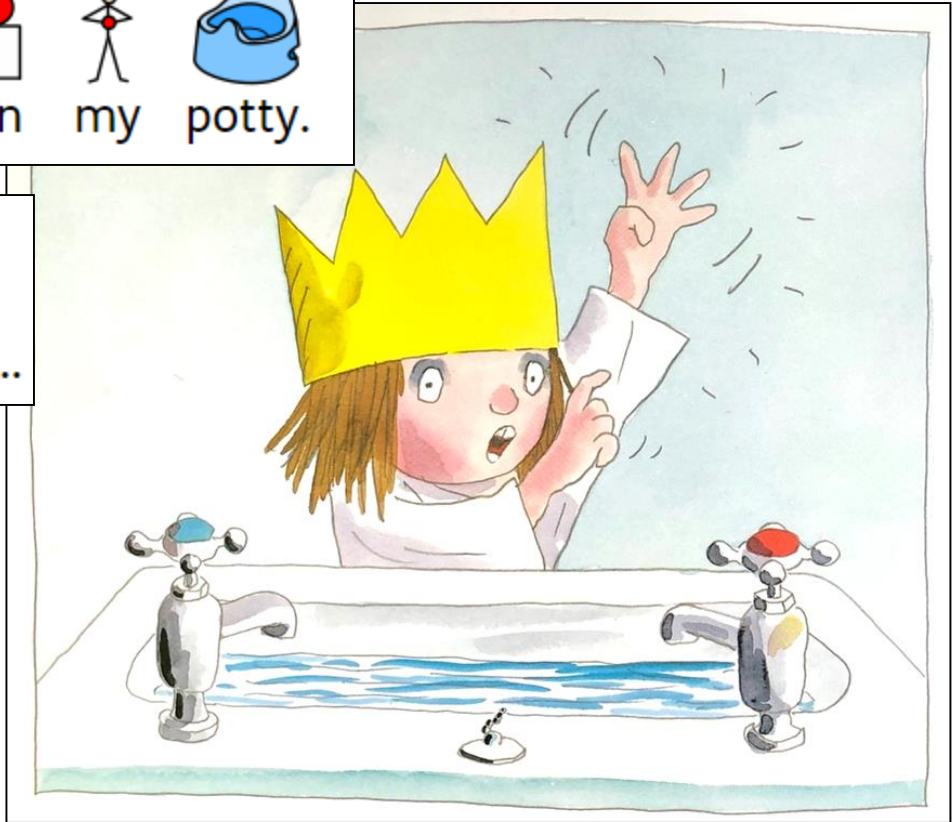

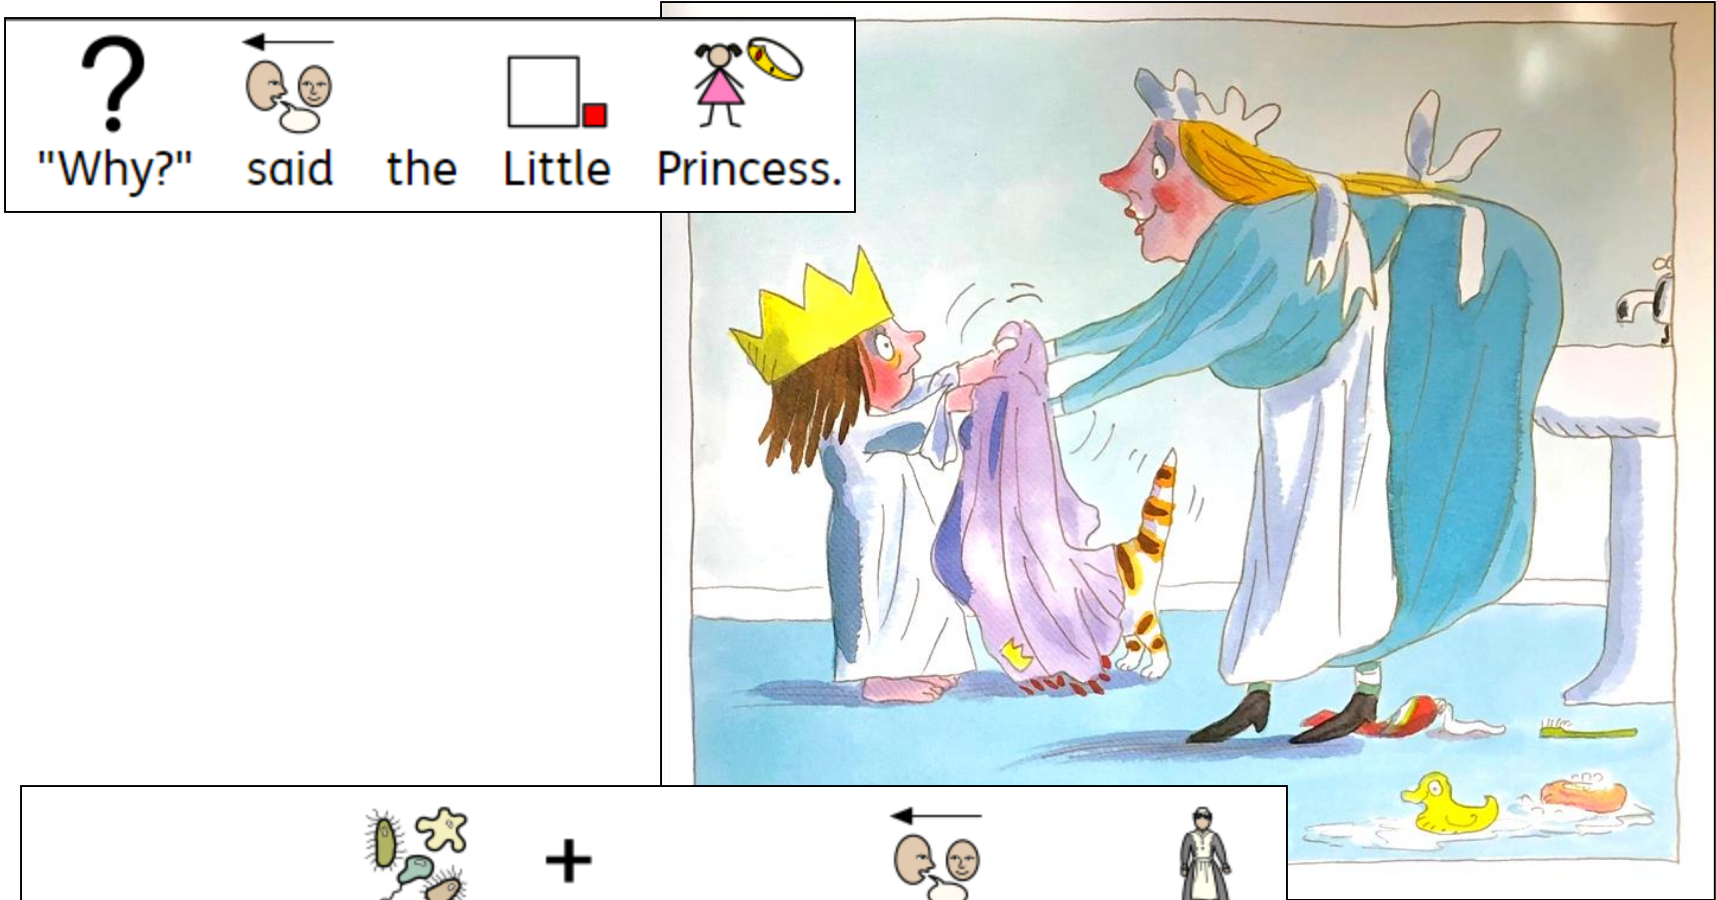

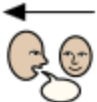

I washed them after going on my potty.

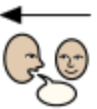

I washed them after sneezing...

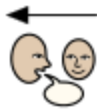

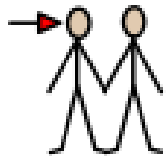

?  ←  
"Why?" said the Little Princess.

 +  ← 
"Because of germs and nasties," said the Maid.

?  +   
"What are germs and nasties?" said the Little Princess.

"They're **horrible!**" said the maid.

"They live in the dirties..."

+   ... and on the animals ...

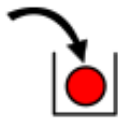

+   ... and in the sneezes.

Then they can get into your food,

+

and then into your tummy ...

+

... and then they make you ill.

?

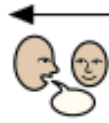

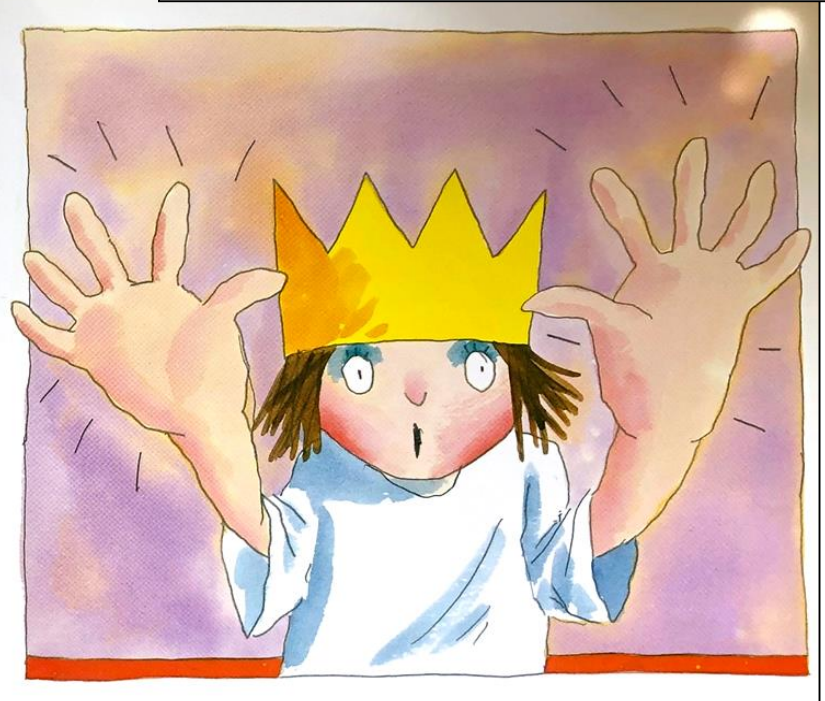

+

"What do germs and nasties look like?"

said the Little Princess.

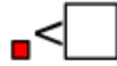

"Worse than crocodiles," said the Maid.

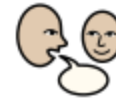

"I've got no crocodiles on my hands."

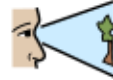

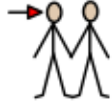

+

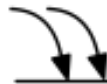

"Germs and nasties are smaller than crocodiles,"

said the Maid.

"They are too small to see."

"I'd better wash my hands again"

said the Little Princess.

?

"Have you washed **your** hands?"
