After the excitement and celebrations of last week, things have returned to normal again now, and half term is fast approaching. With this in mind it seems appropriate to remind you of the little things you can do to make home and school life run smoothly.

School Uniform and PE Kit

Please check that all your child's clothing is clearly labelled with their name, not forgetting their PE kit, as it makes it so much easier and quicker to return items to their owners.

Late arrival or absence

It is very important for registration purposes, that you always phone the school to advise of lateness (for those who travel independently) and for any absences. Similarly, if your child

has an appointment during the school day please advise us of this in advance.

Medication

Should your child require medication whilst at school, please ensure they are clearly labelled. Antibiotics can only be given 4 times a day. Non prescription medicine cannot be administered during school.

School Photograph Orders

Please remember to return your school photograph orders. We will not be able to process any orders received after Tuesday 18th October.
