When you send in your **photo or drawing of your bear** please feel free to **tell us a little bit more** about them. *For example...*

This little bear is called **Eddie**. He is special to me because I was given him when I was a baby. Eddie now only has one eye and the fur on his nose has been worn away with kisses. He is wearing a jumper that my mum knitted him out of the spare wool she found at the bottom of her knitting bag. [Mrs. Sugden]

Ms Caddell also has some fabulous bear friends who can't wait to join in too. They are called Sweets Pie and George. Keep checking the website to count how many more bears we can find together!

***Wishing you a beary happy Easter break!***
